

Product Change Notification

TE Connectivity

Product Change Notification: P-16-012854

PCN Date: 07-APR-16

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

2-WAY 8MM NG1 RECEPTACLE HOUSING

Description of Changes

Dear Customer, we hereby inform you about the molding tool duplication of a Receptacle Housing for the above mentioned Part-Numbers. As a result of our continuous strive for capacity increase of our production, we hereby inform you up front about a new tool (nbr 21-1780063 - M11), which is under construction to cover increasing market demand and which will run in addition to the current one. The new tool will be established at the current manufacturing location. Based on a TE internal procedure for tool / product release all related specifications will be tested in advance to the first delivery out of the new tool.

Reason for Changes:

Customer Request. Along with this change a PPAP level 4 in accordance with the affected OEM(s) will be provided in advanced to the first delivery upon request. For OEM-specific products if required, it will contain a verification of technical release from the belonging OEM. A PPAP Level 1 will be provided upon request if it concerns a component of a TE-product which remains unchanged. If you require a PPAP please submit your request to FrenchPPAP@te.com. If you have any question related to this PCN please notify the responsible TE Sales Contact within 14 calendar days after receipt of this PCN. If we need to block shipments due to the time of approval please notify also the responsible TE Sales Contact.
