This PDN will serve as notice for all Broadcom SAS2008, SAS2004 and SAS2108 based products including any and all previous revisions of this product family for silicon and board solutions. LTB orders can only be placed for current production revisions of the products listed in the table above.

Please discuss replacement product options with your Broadcom sales contact.

Please provide your Broadcom Sales Office with your lifetime Last Time Buy order requirements (LTB) for the above products no later than the date noted in the above table. These orders are non-cancelable, non-returnable and cannot be rescheduled. Orders received after the Last Time Buy order (LTB) date noted in the above table cannot be accepted.

The last requested delivery date for these orders may not be later than the LTS date noted in the above table. Due to inherent variations in yields, Broadcom Ltd. reserves the right to ship up to 5% under the original last time buy quantity, and this quantity will fully satisfy Broadcom Ltd.' obligation to deliver that product under this last time buy agreement.

All last time buy orders must be placed based on Broadcom Ltd. minimum order quantity requirements per the above table. All prior commitments regarding Broadcom Ltd. minimum order requirements do not apply to last time buy orders. Broadcom Ltd. reserves the right to limit last time buy quantities based on capacity and material availability.

Please contact your Broadcom Limited field sales engineer or Contact Center (<http://www.broadcom.com/contact>) for any questions or support requirements. Please return any response as soon as possible, but not to exceed 30 days.
