

## Cree LED HB P2 LED Product Change Notification

Customer Name: All HB P2 Customers

PCN Reference Number:

CreeLED-PCN-5294

Date Issued:

March 8, 2022

Please be advised that Cree LED qualified a Minor change to HB P2 LEDs and that we will begin shipping the affected product with the change 30 days after the PCN Issue Date.

Please review the additional PCN information below.

### Affected Product

Table 1 provides a list of products affected by this Minor change:

Table 1 Affected Products List

Cree LED Part Number
All P2 product series

### Description of the Change

Evaluate new raw material for P2 carrier tape.

POR raw material (GuangFa):

New raw material:

### Reason for the Change

Supplier feedback on the POR raw material shortage indicates support cannot be provided for more than two months, so evaluate new raw material for P2 carrier tape as a backup.

## Change Impact on Form, Fit, Function, or Reliability

This change has no impact on the function or reliability of the LEDs. We will begin shipping the affected product with the change 30 days after the PCN Issue Date. No customer action is required. This product change affects neither the order codes nor the bin codes.

## Key Dates

Table 2 provides estimated dates for key PCN Milestones based on information available at the date the PCN was issued. Any updates to these dates can be provided by the Cree LED contact listed in Table 3.
