<b>Submitted By:</b>  RIEDON, INC. 300 Cypress Avenue Alhambra, CA 91801		<b>Customer:</b>  Digi-Key 701 Brooks Avenue South Thief River Falls, MN 56701
<b>Prepared By:</b> Scott Brooker	<b>eMail:</b> scott@riedon.com	<b>Date Prepared:</b> 10-15-2018
<b>Customer Part Number(s) &amp; Description(s):</b> Identified CSR-Series Resistors (see attached spreadsheet).	<b>Riedon Part Number(s) &amp; Description(s):</b> All Riedon CSR-Series current sense chip resistor products identified in the attached spreadsheet.	
<b>Description of Change:</b> As of the effective date, all Riedon CSR-series current sense chip resistor products will be shipped in the revised reel quantities documented in the attached spreadsheet		
<b>Reason For Change:</b> Existing Digi-Key reel quantities were developed at the time the CSR product was first launched in the Digi-Key catalog and were based on anticipated lower sell quantities. The revised reel quantities are manufacturer standard reel quantities for the CSR product and reflect current higher Digi-Key CSR volume.		
<b>Effective Date of Change:</b> effective immediately, applies to all new orders received on or after 10/12/2018.		
<b>Part Characteristics Affected:</b> No change to CSR product.	<b>Supportive Documentation Attached?</b> <input checked="" type="checkbox"/> No <input type="checkbox"/> Yes	
<b>Qualification Testing Performed/To be Performed:</b> Change is in reel quantities only, no qualification testing required.	<input checked="" type="checkbox"/> Change is Permanent <input type="checkbox"/> Change is for Fixed Quantity <input type="checkbox"/> Change applies to Customer PO	
<b>Does the change affect the components ability to comply with REACH or RoHS requirements?</b>  <input checked="" type="checkbox"/> No <input type="checkbox"/> Yes (if YES, describe in detail):	 <hr/> <b>Greg Wood, Quality Manager</b>
